

Bringing back professional theater to the Southland!

Dear Business Owner/Manager:

Artists Walk Theatre, the only professional theater company in the South Suburbs, is planning to produce the world's longest-running Musical, *The Fantasticks*, in August/September at Flossmoor Community House where we were for our inaugural production, *Lost in Yonkers*. Our audiences last fall were very enthusiastic and we are delighted to be able to produce again.

We are hoping you will help keep professional theater alive in our area with an ad in our program book.

Our ad request form is on the next page. **Space is limited; your prompt request will help insure your ad gets into our program book.**

Thank you, again, for helping to sustain professional theater in the Southland.

Sincerely,

Board of Directors – Artists Walk Theatre
